

SPANISH 2 – PACING GUIDE

Please refer to the [VDOE World Language Standards](#) for additional information regarding the essential content, processes, knowledge and skills for language learning. This document outlines what students should know and be able to do communicatively and culturally within each level of proficiency.

An additional [guidance document](#) is provided by VDOE to show strands, benchmarks and standards for each proficiency level - novice, intermediate and advanced.

Please note:

- Students in Spanish 2 should accomplish all proficiency expectations for Novice Mid (NM) and Novice High (NH) as noted on page 7 of the [World Language Standards](#). Pages 11-22 cover the standards for levels 1 and 2.
- Teachers should refer to the previous proficiency level expectations for guidance on where to begin instruction.
